

Amendments to the Sequence Listing

The sequence listing of this application is identical to that of Applicants' related application Ser. No. 09/765,272. Please replace the sequence listing in the instant application with the Substitute Sequence Listing (both paper and computer readable forms) filed on February 14, 2003 in Applicants' related application Ser. No. 09/765,272. The content of the paper and computer readable forms of the Substitute Sequence Listing filed in Ser. No. 09/765,272 on February 14, 2003 is identical.
